

CORPORATE TRAINING

ENABLING KNOWLEDGE ACQUISITION & SKILLS DEVELOPMENT

SHRICORP, the corporate arm of Singapore Human Resources Institute (SHRI), holds a portfolio of products and services that focus on enabling knowledge acquisition and skills development at both corporate and individual levels. We take pride in the growth and development of our clients and focus energy on providing practice-oriented corporate training and development and consultancy to level up human capabilities. We foster sharing best practices, continuous learning and improvement to ensure high standards of skills and competencies for individuals to seek employment and remain employable.

SHRICORP offers tailored solutions and design training to meet an organization's specific training needs by providing the flexibility to blend or add topics as required. We aim to assist our clients to relate training to bottom-line results by working closely with HR professionals, facilitators and business heads to evaluate training's ROI.
